

BIG BIGGER BIGGEST

How to play Gone-Qwirl:

This is a just-about-clueless word search.

Clue 1: look for 21 terms that fit the puzzle's theme title.

Clue 2: the first letter of each word is shown in the list.

Hints: unlike some of Mrs. Raines' puzzles, all terms are real. And, much like Qwirl and Churn, words are found in shapes, almost never lines.

Important info on word shapes you'll find in Mrs. Raines' puzzles:
