

A circular arrangement of numerous ladybugs, primarily red with black spots, is positioned on a dark, textured, circular ring. The ring has a complex, layered, and ribbed appearance. The background is a solid, deep blue. The text "A TINY COLLECTION OF KWORX" is centered within the ring's opening.

A TINY COLLECTION OF

KRISTINA POWELL-RAINES

A HINT OF KWORX

FERAL ASSEMBLAGE ART GATHERS HERE

This tiny collection of wild works welcomes you.

Linger as long as you like. The KWorx enjoy company, standing patient and present with an effortless hint of whimsy.

Forest Enchantress

A rooted presence where magic meets days of mysterious light.

-WildWorx

Sweet Sendoff

Spirit of a blue-headed vireo pauses at Autumn's window, waiting for Time itself to take a soft breath.

-GhostWorx

Deer Dog of Planet Frost

A winter spirit born of snowflakes silently tastes leaf, lichen, and a coming chill.

-WildWorx

Fire

A pebble-smooth dress and burnished cherry curls, check. Ready to step gracefully along nature's hushed runways, check.
-WildWorx

Flame Throwing Chicken-Horse with Really Great Hair

Combing the beach in search of snacks...while sending signals of spring to a furry feathered friend.
